Il sistema Teseo delinea un nuovo modo di interpretare e arredare l'ambiente direzionale ispirato a funzionalità, essenzialità e concretezza. Linee semplici e rigorose, volumi e dimensioni importanti, finiture capaci di disegnare proposte di arredo personalizzate. La versatilità del sistema consente di realizzare attraverso l'utilizzo di pochi elementi strutturali proposte di arredo di assoluto rilievo e capaci di soddisfare in pieno le richieste di ogni spazio direzionale evoluto. Accessori, librerie, cassettiere e contenitori anch'essi concepiti all'insegna della massima semplicità costruttiva ed estetica, rendono agevole e completo l'inserimento in ogni contesto con interessanti risultati estetici e funzionali. Teseo valorizza l'ambiente e la personalità di chi ricerca uno stile concreto e funzionale.

The system Teseo defines a new way of interpreting and furnishing an executive environment inspired by functionality, essentiality and consistency. Simple and rigorous lines, important dimensions and volumes, finishings able to design personalized furnishing projects. The versatility of the system gives the possibility to create relevant furnishing proposals well able to satisfy every advanced executive space. Accessories, book-cases, pedestals and cabinets all thought with maximum constructive and aesthetic simplicity, allowing for an easy integration with every space with interesting, functional and visual results. Teseo enhances the environment of whom is looking for a concrete and functional style.

I tavoli lineari Teseo si caratterizzano per piani di elevato spessore e per la struttura la cui forma semplice ed estremamente robusta rende ogni postazione affidabile e funzionale. I piani si distanziano dai fianchi mediante semplici spessori in metallo pressofuso, inoltre per garantire maggiore stabilità ogni postazione è dotata di un pannello frontale che unisce i due fianchi ed assicura un livello minimo di riservatezza. Le finiture del sistema quali noce tiepolo, rovere grigio, ciliegio orientale e rovere scuro garantiscono buoni risultati estetici sia per spazi direzionali tradizionali che innovativi.

Linear table Teseo are featured with thick tops, simple but sturdy structure which makes every workstation reliable and functional. The tops are separated from the side panels by metal thickeners, moreover, to guarantee extra stability, each workstation is fitted with a modesty panel connecting to the sides and giving also a minimum level of privacy. The finishings of the system such as light walnut, silver oak, oriental cherry and dark oak guarantee great aesthetic results for both traditional and innovative executive spaces.

a new way  
of interpreting  
an executive  
environment

Le scrivanie possono essere dotate di un pannello frontale supplementare (optional) per fornire alla postazione un maggiore livello di privacy. Tutte le scrivanie Teseo possono essere predisposte per l'inserimento di passacavi in alluminio e di vaschette metalliche con multiprese e sportello di chiusura. Il programma prevede anche cassettiere e contenitori su ruote, disponibili in molteplici tipologie e dimensioni, sempre dotate di fianchi e top nelle finiture del sistema. The desks can have an additional modesty panel (optional) in order to give extra privacy to the workstation. All the tables can be fitted with aluminium cables port holes and metal boxes with multiplugs and covers. The program also includes mobile pedestals and returns in several models and dimensions, always available with finishing top and sides in the same colours of the range.

Le postazioni Teseo si distinguono per le dimensioni importanti e per la conseguente notevole funzionalità e praticità d'uso. I piani appendice disponibili in differenti dimensioni, aumentano notevolmente lo spazio operativo conservando le medesime caratteristiche estetiche e dimensionali. In presenza di piani di collegamento il fianco della scrivania nel lato occupato dall'appendice diventa unico comprendendo per intero la dimensione del tavolo.

Teseo workstations are distinguished for significant dimensions and consequential remarkable functionality and easy use. The link tops are available in different dimensions and they increase notably the working space maintaining the same aesthetical and functional characteristics. In this case, the table shares one side with the link unit covering the whole dimension of the table.

La semplicità costruttiva e la versatilità del sistema Teseo si riconosce nella postazione asimmetrica che pur realizzata con elementi strutturali lineari fornisce un soluzione personalizzata e creativa. La scrivania disponibile nella versione destra/sinistra si realizza con un pannello frontale integrale, supportato da un fianco ridotto ed una appendice su ruote girevole. La proposta di arredo assicura così una soluzione dal design originale e dalle notevoli prestazioni in termini di estetica, funzionalità e contenimento.

The simplicity and the versatility of the system Teseo is easily shown in the desk+return composition which despite the linear components creates a innovative personalized solution. The desk in the right/left version comes with a total down to ground front panel supported by a short side and a mobile return. The proposal gives a solution with original design and several results in terms of looks, functionality and containment.

Lo spazio dedicato alla riunione rappresenta un momento importante nell'attività direzionale. Il programma Teseo prevede per questo molteplici soluzioni capaci di soddisfare ogni necessità in modo semplice e versatile. I tavoli riunione con struttura pannellata hanno le stesse caratteristiche strutturali dei piani scrivania e sono disponibili in tre varianti: quadrato, asimmetrico e modulare. A questi si affianca un piano circolare su gamba metallica indipendente, indicato per spazi riunioni più piccoli o per integrare spazi direzionali classici con un angolo meeting. The space dedicated to meeting represents an important focal point in the executive activity. The program Teseo presents various solutions for this area which aim to satisfy every need in a simple and versatile way. The meeting tables with panelled structure have the same structural characteristics as the desk tops and they are available in three different versions: squared, asymmetric and modular. It is also included a round version on metal column independent leg adapt for small areas or to integrate traditional executive offices with a small meeting zone.

# simple and versatile meeting solutions

I tavoli riunioni con struttura pannellata sono previsti nella versione quadrata (cm. 160x160) e nella versione modulare ottenuta affiancando più piani quadrati. I piani asimmetrici hanno la struttura pannellata realizzata con un pannello centrale integrale e due fianchi disposti in modo speculare e decentrato su entrambi i lati. Semplici ed originali assicurano una piena funzionalità ed una notevole robustezza.

Meeting tables with panelled structure are available in a squared version (cm 160x160) and modular version simply obtained by adding more tops. The asymmetric tops have panelled structure with a central integral panel and two sides placed in an alternate and opposite position. Simple and original they guarantee full functionality and sturdiness.

Le librerie Teseo costituiscono uno strumento essenziale nella definizione degli ambienti direzionali. Disponibili in due larghezze (cm. 45 e 90) e tre differenti altezze hanno una robusta struttura, sempre in colore grigio e possono essere personalizzate con ante piene o vetrate. I singoli moduli sono affiancabili per comporre pareti libreria di ogni dimensione, sono inoltre previsti fianchi pannellati e top superiori di rifinitura nei colori del sistema.

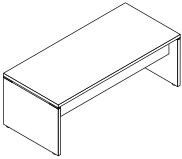

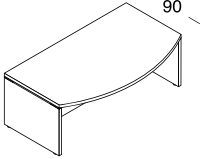

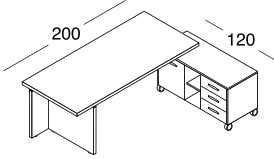

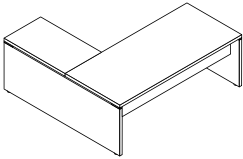

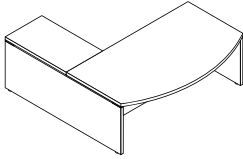

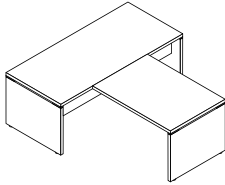

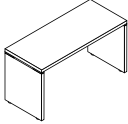

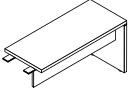

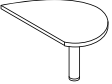

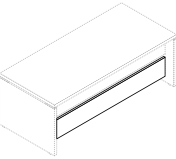

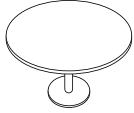

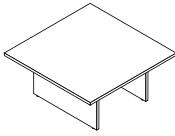

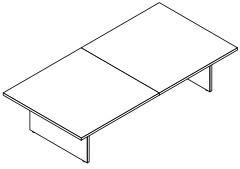

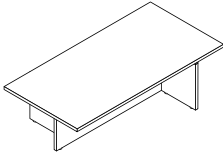

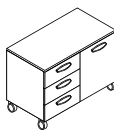

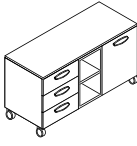

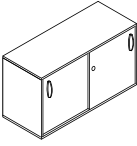

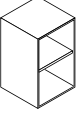

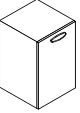

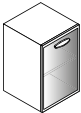

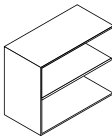

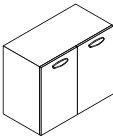

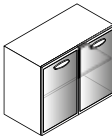

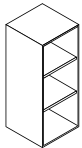

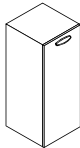

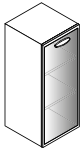

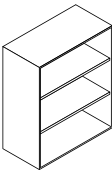

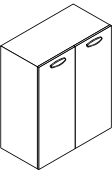

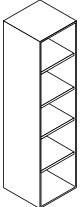

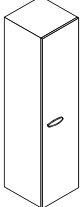

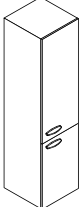

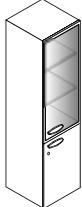

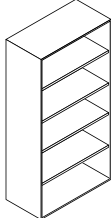

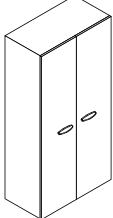

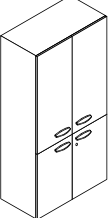

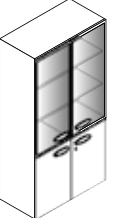

The bookcases Teseo are an essential instrument to define the executive environments. Available in two different widths (cm 45 and 90) and three different heights, they are featured with a sturdy structure always in grey colour and they can be personalized with wooden or glass doors. The single modules can be put one next to the other in order to compose a separation wall of different dimensions. Also included are finishing tops and panelled sides in the same colours of the system.
